MRS. VIVIAN HAMBLEN

Mrs. Vivian Hamblen is retiring after working twenty-five years for Clinton Schools. Most of those years have been spent at CJHS. In recognition and gratitude for all those years of hard work, we dedicate this 1990 - 91 yearbook to her.

The students at CJHS know Mrs. Hamblen as a stern, uncompromising lady, but scrupulously fair guardian of office privileges and secrets. Those lucky enough to be chosen office workers also know her to be a caring and concerned person who encourages their efforts, allows time for homework, and shows support by attending most concerts, plays, sports and promotional exercises.

Mrs. Hamblen is the mother of three children and six grandchildren, several of whom have attended CJHS. Her retirement plans will probably include spending more time with those grandchildren, with her mother, and with her husband Carl. And now when Carl goes fishing, he'll have a new buddy to take along.

Enjoy your retirement, Vivian!
